The Heidelberg Ghost Will Make You Want To Believe In Ghosts - Even If You Dont. Fall in love with the charming and quirky characters in this fun paranormal romance and adventure. The StoryLife is good for Andrea - until that fateful night of the annual ball at the Heidelberg castle, when a muck-covered ring lands next to her foot in the courtyard. Attached to this antique ring appears to be a very handsome ghost. Good thing that she isnt looking for love any time soon, because how ridiculous would it be of her to fall in love with a spirit, right? After being accused of stealing the princess heirloom ring and jewelry box, Volker finds himself cursed by a witch and trapped on the castle grounds for over 400 years with no glimmer of hope for his miserable ghostly condition to improve. When he realizes that the pox-covered, yet beautiful, peasant woman standing in the courtyard can see him, he knows that shes the one that can set him free. The only trouble is that hes falling head over heels in love with the one that he can never be with. Escape the stresses of everyday life and join Andi and her friends in their quest to set Volker free from his ghostly demise. Other reasons why you will love this book: Set in Germany with its rich history, traditions, and beliefs (yeah, Ireland is not the only place with cool castles, ya know!) Itll make you laugh. . . and itll make you cry. . . A modern day fairy-tale thatll make you forget, you had dinner cooking on the stove. . . Light, amusing, and thoroughly entertaining....
