Can they live happily ever after? Hardly any of their friends and family attend the ceremony. They enjoy their honeymoon in Hawaii despite a disagreement about the continued use of birth control. And soon after Clayton insists on taking an adventure trip to South America. When he returns, Summer hits him with the news. She tests positive for pregnancy. Can Clayton handle fatherhood again? At 50 years of age? Pregnancy sparks a new fear inside Summer: What if Clayton someday practices his furry fetish with his own child? She doesn't really believe he would commit this sin, but one part of her doubts him, and that drives them apart. Summer's struggle for acceptance continues. Not even marriage protects her from her enemies. Someone hires a beautiful escort to tempt Clayton into bedding her -- and then bragging about it to Summer. Knowing Summer refuses to tolerate any unfaithfulness from Clayton. Summer and Clayton must crash the family Christmas party just so he can spend the holiday with...
