Brand New Book ***** Print on Demand *****.U.S. Army Training and Doctrine Command TRADOC Pamphlet 525-8-5 The U.S. Army Functional Concept for Engagement, expands on the ideas presented in TP 525-3-0, The U.S. Army Capstone Concept (ACC), and TP 525-3-1, The U.S. Army Operating Concept (AOC), and introduces a new warfighting function. The complexity and uncertainty in the global environment means the Army must become more agile, flexible, and well-prepared to tackle a broad range of operations through the development of innovative, low-cost, and small-footprint approaches to achieve U.S. security objectives. The Army also must possess a broad range of capabilities to shape future operational environments, maintain its lethality on the battlefield, and be able to leverage unified action partners to reduce demands, prevent, and end conflict. The engagement warfighting function will institutionalize into Army doctrine, training, education, and leader development, the capabilities and skills necessary to work with host nations, regional partners, and indigenous populations in a culturally attuned manner that allows bridging language barriers, opening lines of communication and connections with key political and military leaders in a way that is both immediate...
