Publishers Weekly (starred review) Lilly is a spunky little girl who delights in the unexpected pleasures of each season, peering inside shells in the summer and tasting different kinds of apples in the fall. In this charming and subtle book by one of Frances premier children's book authors, Lilly learns more about the outdoors, and introduces the youngest readers to the colors, words, and shapes that arise in nature. Silly Lilly's intimate monologues deftly capture a child's sense of wonder, in five whimsical episodes that cycle through the calendar from Spring back to Spring again. Good e book and useful one. I have got read and that I am confident that I will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
