

Atopological Trilogy: Deleuze and Guattari

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Dead Letter Office, United States, 2015. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Atopological Trilogy creates new concepts for Deleuze-Guattarian thought without any heed for sectarian, sermonising, or dutiful readings of the philosophers. In Part I of the trilogy, *Becoming-Sexual of the Sexual*, Aracagok demonstrates the ways in which quantum theory and the concept of complementarity inform Deleuze and Guattari's thought, especially in relation to becoming in general and becoming-woman and becoming-queer more particularly. Aracagok argues that the ways in which the philosophers put forward a ban on becoming-man with a certain degree of undecidability encapsulates (albeit in a cryptic form) other becomings, the most important of which is becoming-queer, or rather, the becoming-sexual of the sexual. In Part II: *Deleuze on Sound, Music, and Schizo-Incest*, Aracagok puts into resonance the sound, noise, and music (and the question) of schizo-incest with the intention of deterritorialising a notion of the meta-audible. If Kafka's story, *The Investigations of a Dog* leads us to a realm of the formless which cannot be heard without destroying what we know as hearing, it also offers us a limit-experience of the meta-audible, which, when radicalised via the notions of schizo-incest and self-shattering, creates a line of flight that escapes even from the line of flight itself. All these maneuvers pose a serious challenge to Deleuze and Guattari, who claim that despite all his investigations, Kafka's investigator dog is re-Oedipalised in the end. Proposing in the end a limit experience which Aracagok calls the meta-audible, he shows that Kafka's more radical approach to sound creates a line of flight that escapes even from the line of flight itself. The final essay of the trilogy, *Clinical and Critical Perversion*, begins with the 19th-century...
