No practical attempt to realize this great project has, however, been made till this year, when a company of business men of the Town of Niagara calling themselves The Niagara River Hydraulic Tunnel, Power and Sewer Company was organized, and, having been incorporated by act of the New York State Legislature passed March 31, 1886, (a copy of the act of incorporation is hereto appended) have, in connection with the best engineering skill in the State, applied themselves seriously to the task of directly utilizing the immense power of Niagara River. The great importance of this undertaking, together with the plans and estimates of the projectors, are set forth in the following Prospectus: The Niagara River Hydraulic Tunnel, Power and Sewer Company has been organized for the purpose of utilizing the enormous power of Niagara River by constructing a subterranean tunnel from the water-level below the Falls, about 200 feet under the high bank of the river, extending through the rock to the upper Niagara River at a point about one mile above the Falls, where a head of 120 feet is obtained. The tunnel thence extends parallel with the shore of the river one and one-half miles at...
