

## Resplendent Faith: Liturgical Treasures of the Middle Ages (Hardback)

By Stephen N. Fliegel

Kent State University Press, United States, 2009. Hardback. Book Condition: New. New.. 284 x 222 mm. Language: English . Brand New Book. This is a beautifully illustrated collection of some of the finest examples of liturgical art.No work of art can be fully appreciated if divorced from the culture that produced it. This examination of liturgical objects found in the medieval church treasury assesses their artistic technique and method, placing the objects in the context of medieval liturgical practice and piety. Author Stephen N. Fliegel explores the origins of religious treasures in late antiquity and their ultimate disappearance as a result of the Reformation, French Revolution, and political upheavals of the early modern period. Resplendent Faith is a richly illustrated compendium of the typical objects found within medieval church treasuries and includes a discussion of their form and function and their significance in the medieval religious service.Fliegel places this survey of the medieval liturgical treasury within its broad historical framework and considers the art representative of the most significant sacral objects produced during the Middle Ages. Supported by exquisite illustrations as well as a glossary and bibliography, Resplendent Faith will appeal to art historians, those interested in the history of...
