

Lewis And Clark; Meriwether Lewis And William Clark

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

LEWIS AND CLARK; MERIWETHER LEWIS AND WILLIAM CLARK

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Lewis And Clark; Meriwether Lewis And William Clark. CHAPTER I. In the years 1804, 1805, and 1806, two men commanded an expedition which explored the wilderness that stretched from the mouth of the Missouri River to where the Columbia enters the Pacific, and dedicated to civilization a new empire. Their names were Meriwether Lewis and Wiliam Clark. As a rule, one who tries to discover and to set down in order the simple signs that spell the story of a large mans life is confused by a chaos of data. No such trouble arises in this case. There is great poverty of fact and circumstance in the records of the private lives of these men so careless were they of notoriety, so wholly did they merge themselves in their work. Anything like ostentation was foreign to their taste, and to the spirit of their time, which took plain, dutiful heroism as a matter of course. No one knows any characteristic anecdotes of Meriwether Lewis and the best stories about Clark are those preserved in the tribal historiesof WesternIndians. The separate identity of the two men is practically lost to d except the careful reader. Each had his baptismal name, to be sure but even their private names are fused, and they are best known to us under the joint style of Lewis and Clark. In effect they were one and indivisible. For evidence of their individuality we must look to the lrtbors which they performed in common. When, several years after the conclusion of the great expedition, the manuscript journals were being prepared for publication, the editor could not find sufficient material out of which to make...
