Pub Date: December 2012 Pages: 223 Language: Chinese Publisher: New World Press History reason useful. history is understood as experience the meaning of this section. History can be said that the summary of all previous experience in humans. More experience means more useful. the countless experience would be tantamount to a treasure trove of wisdom. Chinese people read the history of this matter. the practical implication is very strong. I believe that history is a mirror. can be reflecting on the past - think of ways to learn good and bad as caution. In other words. in the field of history. the Chinese people are very prominent functional. China. on the other hand. openly regarded as the most important history of one of the nation. For example. since the Historical Records for up to 2.000 years of uninterrupted history of the system is a very special achievement in the history of mankind. and by the State to set the historian started earlier. to sign the letter can be pushed to the Spring and Autumn Period (such as the Spring and Autumn Period Jin Dong Hu). bold inference may also go into traced back to the early Shang and Zhou. Therefore. it was once the Chinese and Jewish tied for the most important history of the two nations. even the baby in the crib. from the mouth of parents or grandparents to hear the story. mostly historical story rather than the so-called fairy tale full of sweet dream odor . Contents: The historical experience is equal to a treasure trove of wisdom! When history has become a national traditional historical experience is really easy to use? History is still...
