Simply Read. 1 Cloth & CD(s), 2011. hard. Book Condition: New. Canadian songwriter Tom Saunders here presents the lyrics of his song "I Want to Go to the Moon" as the story of young Neil Armstrong, imagining his Apollo 11 moon landing to be the culmination of a lifelong ambition. Growing up in Ohio in the 1930s and 40s, Neil's first words here express his longing to go to the moon, and ask what he has to do to get there. Family members, friends, and teachers all try to discourage him, but by the 1960s, following a career that includes flying experimental planes, Neil is given his chance. Cynthia Nugent illustrates the tale in realistically detailed ink and watercolor cartoons, and this book for readers 4 to 8 includes an audio CD with Saunders performing his song. 32pp, 4'50/2011.
