CHARACTER THEORY OF FINITE GROUPS (NEW EDITION)

American Mathematical Society. Hardback. Book Condition: new. BRAND NEW, Character Theory of Finite Groups (New edition), I.Martin Isaacs, Character theory is a powerful tool for understanding finite groups. In particular, the theory has been a key ingredient in the classification of finite simple groups. Characters are also of interest in their own right, and their properties are closely related to properties of the structure of the underlying group. The book begins by developing the module theory of complex group algebras....
