*****.Writing today has grown to be accessible to anyone who has the passion and drive to put a story out there. No longer is it limited to just the people with money and influence. With Amazon, a writer can self-publish their work for free. This doesn't mean one can simply copy and paste something from Wikipedia and put their name on it. Solid writing takes work and a steady routine to advance it to the next level. Not unlike going to the gym, if you just sporadically write only when you feel like it, you will develop about the same rate as you would if you just attended the gym on occasion. Think writing 30 stories in 30 days is easy? Well, the author did it! It was far from easy, as life seems to pop up when you least expect it. The challenge concept was simple, "Write a story a day for 30 days and get individual attention daily by an acclaimed editor." I chose to participate and it was an incredible experience to...
