MUCKLEBALL: THE OFFICIAL RULEBOOK

Penny Ante Games, United States, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.What is Muckleball? Answer: A new and exciting, tackle- oriented individual contact sport. A sport where an individual player (called an Odd, as in Odd-man-out) and fourteen defensive players (called Muckles) fight over a ball on a grass field. When the Odd picks up the ball: he scores points! If the Odd scores a Touch-Down: more points! If the Odd was tackled, the Muckle scores points! Muckleball is a fast-paced, back-and-forth game where possessions changed hands as often as basketball, but is tackle-oriented like football! Why begin with just a rulebook? Did not Dr. James Naismith invent just 13 basic rules for basketball? This is how the global sport of basketball began! Did not the UFC begin with just a simple question: Can a wrestler beat a boxer? Hasn t it been exciting to find out through nearly 200 (and counting) pay-per-view events? All sports began with a simple set of rules, either evolving naturally over the years like baseball and football, being written on a typewriter by YMCA physical educator as in basketball, or in that moment when rules were finally codified, turning an apparent lawless blood-sport into the global phenomenon that has become mixed-martial arts. This rulebook is just the beginning of the global phenomenon called Muckleball! INNOVATION: ONE AGAINST MANY: Individual sports are, for the most part, either played one-on-one or in groupings that have little no interaction with one another. Tiger Woods cannot actively disrupt the play of other golfers, though he certainly might want to. For a field-based, tackle-oriented individual contact sport, playing against a single opponent is nothing more than one-on-one football. This is not nearly imaginative enough. So...
