Time Critical Conventional Strike from Strategic Standoff

By Department of Defense Defense Science Bo

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This Executive Summary and the attached appendices provide an unclassified overview of the Task Force analysis, findings and recommendations. For a more detailed understanding of this material, we refer the reader to the classified version of the full report. The U.S. strategic deterrence and strike environment has changed as our adversaries and their tactics have changed. Terrorists and rogue nations as well as future potential peers are well aware that asymmetric tactics are proving very effective against our forces. In the past, a weapon of mass destruction (WMD) was a weapon of last resort for virtually all of the Nation's primary adversaries - it now may be moving closer to the weapon of choice, at least for some. Terrorist leaders are more willing to take risks, tend to place much less value on the life of individuals, have much less to lose, and are somewhat protected by statelessness. Avowed tactics included massive targeting of innocents, martyrdom of soldiers, and operating within a civilian environment. Operational fuzziness makes Indications and Warnings (IW) much more difficult and/or fleeting. WMD...
