Createspace, United States, 2014. Paperback. Book Condition: New. Cheryl Filipiec (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The value of connection to a higher power is irrefutable. We seek connection to Holy Spirit, Holy Ghost or listen for the still small voice. We seek spiritual perspective from a reliable source. There exists a large group of people who have been raised in traditional religious faith communities and can t find a place in the New Age. Many of us are feeling the evolutionary nature of the times and want to do something. We have a desire to move forward, be aware of what 2014 means in conventional terms and meditate. This book is intended to be a short handbook that outlines practical information and steps to follow to use channeling for personal growth and spiritual perspective. It is not intended to promote mediumship or the use of channeling for ego related gains. Some sample chapter titles are: Why Channel? , How do I know I m doing it correctly? and What will I experience? . The book is a short, comprehensive guide for those new to channeling; one that is easy to pick up and be put to quick use.
