OVERVIEW 7 Economic Trends: The Dismal Science Faces East. Economists looking for trends in the Middle East during the next 15 years are as pessimistic as political analysts. The regional economic outlook, according to one professor, was unpredictable, the nature of change incon-2 ceivable. Alan Richards, an economist and Middle East specialist, listed nine challenges that Middle Eastern governments would face regardless of the person in power, the range of responses pursued, or domestic tensions. The key, according to Richards, would be for gov-ernments to learn how to manage or cope with these unsolvable prob-lems. The list of challenges includes restoring economic growth, restraining population expansion, providing jobs, alleviating poverty, coping with urbanization, saving water, obtaining food, halting envi-ronmental destruction, and attracting money for investment from for-eign and domestic savers. Some salient economic facts include per capita income in the Middle...
