This pocket edition contains a careful selection of 20 brain teasers, 30 thinking questions, and over 100 non-quantitative questions, collected from actual job interviews in investment banking, investment management, and options trading. The interviewers use the same questions year-after-year, and here they are. The brain teasers and more than half the thinking questions are presented with detailed solutions. Note that there is also a complementary pocket edition available of quantitative questions with detailed answers taken from the same interviews (ISBN 978-0-9941-38-1-9). It has been painstakingly revised over 18 years and 14 editions, and has been shaped by feedback from many hundreds of readers. This pocket edition contains a revised section on interview technique based on Dr. Crack s experiences interviewing candidates and also based on feedback from interviewers worldwide. Dr. Crack has a PhD from MIT. He has won many teaching awards, and has publications in the top academic, practitioner, and teaching journals in finance.
