How it affects us all in so many differing ways! It is over time, as the drawn-out centuries slowly rolled by that the infamous legendary story of the ageless white rose and it s origin became forgotten completely. As time passed legend became myth, myth became fiction, fiction became a fairytale which eventually faded away into non-existence, until the memory of it was removed from the minds and hearts of men. This proved to be such a fatal mistake for many. It happened thousands of years ago and that s why no one is familiar with it anymore.
