For renewal after license has been revoked, for Surveyors: \$5.00. Expirations and Renewals.--Licenses must be renewed before February first each year, or in case of absence from the State, within thirty days after return. If a license is not renewed within the time limit, it shall be revoked, but may be renewed at any time thereafter upon payment of the required fee. Significance of Certificate.--Public work: No special provision. (The Attorney-General has expressed the opinion that no political sub-division of the State can legally employ any engineer and surveyor who is not licensed.) Private work: Must be licensed to engage in private practice of civil engineering or land surveying. Seals.--Board is authorized to adopt and use an official seal. Exemptions (See also Reciprocity).--Temporary permits: Any member of the Board may grant a temporary permit to practice after a satisfactory examination of any applicant, but such permit shall not continue beyond the next regular meeting of the Board, and shall in no case be granted less than six months after the applicant has been refused a permit by the Board. Civil engineers and surveyors in the employ of the Federal government are exempt. No special provisions for State and municipal employees. Members of companies or corporations must qualify for licenses as individuals. Non-professionals may run levels for terracing rice fields when registered engineers and surveyors are unavailable, but they...
