Midnight to Six Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. An incredible romance involving a man, the music he craves, and the voice that haunts him. Rock and roll turns Brandon Wayne into a juvenile delinquent in all the best ways-crazed, ambitious, and with a slip of danger nagging at his hips. His marketing job at Endeara Candies and hunting down classic vinyl nirvana at Warped Records make his world seem ordinary, but there is another side to his life. As an anniversary of tragedy approaches, odd occurrences riddle Brandon s mind with questions. Whose voice is suddenly materializing in his head? Is he fabricating a psychic who looks like one of his favorite rock stars? Why is he having retro dreams involving welded beer cans, disco, and a punk rock girl? The puzzle seems never ending. Have the musty fumes at Warped Records and the terrible candy at work rotted Brandon s brain? Has he crossed into the realm of insanity? Or is the reason for the madness beyond his comprehension? Voices Carry is a standalone novel that takes place in the Rock and Roll Fantasy universe, alongside Scary Modsters and its prequel, It s A Marshmallow World.
