Amazon Publishing, United States, 2012. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. Claudio Roman was forced to retire from opera two years ago after a fateful random attack caused him to lose not only his sight but also his confidence as a performer. His prowess with women, however, was not impaired. So why would he hire a petite, mousy-looking woman as his new publicist, accompanying him night and day on his world travels? Laura accepts this new position at her agency the morning after her twenty-sixth birthday, but not without hesitation. She considers herself a professional who would rather not get involved with such a lothario, but the offer is non-negotiable, and she takes up the post effective immediately. Could Laura s sincerity be just the ticket to restore hope to Claudio s cynical worldview and bring him back around to performing live with the opera?.
