Nippan Ips, Japan, 2016. Paperback. Book Condition: New. 212 x 148 mm. Language: English . Brand New Book. 15 delicious Tokyo ramen shops. 210 pages providing thorough introductions with many photos. Ramen is loved all around the world, but unfortunately existing guide books do not contain any information on really delicious ramen. Our mission is to introduce information on real Japanese ramen, as well as various other related topics. As you can see from the content, our page layouts and design are distinctly different from other such guidebooks. We introduce info on the types of noodles, the sauces used in the soup, as well as the richness and strength, etc., and we feature a great number of photographs and specific reports covering even the most finely detailed information. So then, we hope that you will discover a ramen to tantalize and inspire all of your five senses!.
