Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MIDNIGHT SIN (HARDBACK)

Totalrecall Publications, United States, 2011. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.MIDNIGHT SIN When a rookie cop walks on to the midnight shift, the lines between right and wrong become blurred. Every step he takes and every decision he makes has unforeseen consequences. His life will never be the same. Becoming a cop changes everything you thought you knew about life. Midnight Sin is an inside look at the dark and mysterious world behind the cop s badge. Rookie cop Gary Hollings quickly learns that wrestling street thugs and arresting drug dealers while trying to track down a serial rapist is nowhere near as tough as watching his back from his fellow cops. He must also fight his inner demons - ones that he never knew he had until he put on that police uniform. The police world is one of long hours and split-second decisions where the choices are not always clear. Midnight Sin is a gritty cop novel that explores the complexities of the cop psyche. I have spent my life watching cop shows both on TV and in the movies and Michael Tabman s Midnight Sin is as good as anything that has come before it. Once you start reading you will not be able to stop. Michael has reached deep inside and managed to capture his heart and soul as a cop - the joy of helping others as well as the fear and loathing felt so deeply as they are forced to deal with the worst our society has to offer. My heart was pounding. This is a powerful story told by someone who has captured the feelings of all of us, no matter which side of the law you happen to be...
