Outlines of Entomology (Classic Reprint)

By Mary Esther Murtfeldt

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Entomology In preparing the following pages, as an introduction to the science of Entomology, the primary object has been to supply a need of the farmer and horticulturist. For while the ravages of noxious insects have an indirect effect upon the prosperity and convenience of every one, it is to the agriculturist more directly that their absence or prevalence brings financial success or failure. It is true that there are already almost innumerable publications, many of them of great value, on the subject of economic entomology, as well as those of more strictly scientific importance, all of which are accessible to any inquirer; but it is undeniable that a lack of some general knowledge of the life histories of insects, and an unfamiliarity with many of the terms used in description, deprive those for whom they are prepared of a large share of the benefit they might derive from them. I do not ignore the fact that this want has been realized by many of our most distinguished entomologists, and that several text-books...
