

Love-Pain Economics: The Kaleidoscope Project

By Rolf A F Witzsche

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It has been said that real economics begins with love expressed in the Principle of the General Welfare as the foundational economic principle. To the degree to which it is developed, civilization prospers, or is lost and, inversely, disintegrates. But what is love, to have this effect? The story deals with the question in a Kaleidoscopic fashion that offers surprising new vistas at every turn. The story is situated in Leipzig, Germany. The protagonist is an American diplomat, who rather than being in control of things finds himself bewildered by the course of a love affair that unfolded more brilliantly than he has dared to hope for, but ended with a somewhat empty tone. Here the world-critical story of economics begins that he knows nothing about, and much less has experienced. The story may be classified as social science fiction, but it really belongs into a class of its own for which no classification yet exists. It begins in the setting of a pub where many a question about love has been pondered over the...
