David s having a wonderful day: swimming, hiking, spending every minute outside at the river and in the forest. Then evening comes, and his foster mom, Annie, gives him devastating news. David s backache is caused by advanced cancer; he has only months to live. But David discovers that Life is much bigger than he could have imagined, as he is led into a mystical circle of trees where time is meaningless and illness is transformed. This is David s story of wrestling with relationships, spirituality, and identity. No doom and gloom here: only raw courage, deep laughter, and a tender well of joy filling, overflowing, and oozing out the pages, as David discovers treasure in what others have discarded.
