Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Over the years, many have commented concerning the Bible: "Where do I begin?" "I've started to read it, but just couldn't get through it;" "I need something simple;" "I'm waiting for the Readers Digest version;" "I get lost in all of the begats and what does begat even mean?" "Now that I have accepted Jesus Christ as my Lord and Savior I am told I must read this bible Okay, HELP!!" Well guess what? Help is here. Dr. Jerry has been so excited to get this little book into the hands of people who need help understanding why we need to read the Bible and what all those millions of pages contain! Well not millions but, when you first look at it, doesn't it seem like it? I know when I first became a Christian I was so lost in the Bible's pages. Like many others, I didn't know where to start. Our hope is that this will give you a jump-start into gaining some understanding of the Bible. We pray The Bible in a Nutshell will transform your heart and mind into a more positive way to move toward studying the Word. Angela Terrebrood (The wife of the guy who wrote this book).
