Brand New Book ***** Print on Demand *****.The Answer is C Austin and Lydia are set to enjoy their 8th grade year and finally get out of Cedar Lakes Middle School. There s just one problem- one big problem. Cedar Lakes has a new principal, Dr. Fulcher, who only cares about one thing- the achievement test. Because the achievement test is so important, the extra stuff has to go. This means no more clubs, no more recess, no more field day, and no more fun. Not that school was fun to begin with, but this is so much worse. Something will have to change, but to do that Austin and Lydia will have to rally a diverse group of students to take a stand. Written in their own journal, Austin and Lydia detail their story.
