Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Picador USA. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.1in. x 5.5in. x 0.7in. From a highly acclaimed author-the enchanting, bittersweet story of a motherless young woman torn between real life and the otherworldly companions only she can see. On the morning of Eva McEwens birth, six magpies congregate in the apple tree outside the window-a bad omen, according to Scottish legend. That night Evas mother dies, leaving her to be raised by her aunt and heartsick father in the small town of Troon, Scotland. As a child, Eva is often visited by two companions: a woman and a girl. Invisible to everyone else, they seem benevolent at first, helping her to tidy her room and collect the hens eggs. But as she grows older, their intentions become increasingly unclear: Do they wish to protect or harm her? Is their meddling in her best interest or prompted by darker motivations? In the shadow of World War II, Eva studies nursing in Glasgow, tending to the wounded soldiers. But when she falls in love with a young plastic surgeon, the companions seem to have a very different idea as to her fate, and once again she finds herself unable to resist their pull. A magical novel about loneliness, love, and the profound connection between mother and daughter, *Eva Moves the Furniture* fuses the simplicity of a fairy tale with the complexity of adult passions. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
